The Miracle League of East Texas

MLEasttexas@gmail.com PO Box 853 Longview, Texas 75606

The Miracle League of East Texas started in 2000 when a group of very special members of our community came together with a vision and raised funds through various events including Mud Runs to build our field. In 2010 the vision became a reality and our field was built.

The Miracle League removes the barriers that keep individuals with mental and physical disabilities off the baseball field and lets them experience the joy of America's favorite pastime. Since the main barriers arise from the natural grass fields used in conventional leagues, Miracle League teams play on a custom-designed, rubberized turf field that accommodates wheelchairs and other assistive devices while helping to prevent injuries. It's more than playing a game. The Miracle League is about making new friends, building self-esteem and being treated just like other athletes.

Our players may not be able to run the bases or hit the ball as well as some of their peers, but they have an equal amount of love and determination to play baseball. We want to help them achieve that dream.

We are now looking for sponsors for our upcoming 2023 year. Money raised for Miracle League of East Texas is used to scholarship athletes that otherwise might not be able to participate and for the preservation of our specialized field. Our goal is that no child will be turned away due to lack of funds.
