The Miracle League of East Texas provides individuals with physical and intellectual disabilities the opportunity to experience the joy of baseball in a fully inclusive environment. After years of planning and community support, the league proudly hosted its first games in 2018.

The Miracle League eliminates many of the physical barriers found in traditional baseball through a custom-designed, rubberized turf field that safely accommodates wheelchairs and assistive devices. More than a recreational program, the league promotes confidence, teamwork, and social connection, creating meaningful experiences for athletes and their families.

We are currently seeking corporate partners for the 2026 season. Sponsorship contributions directly support athlete scholarships and the ongoing maintenance of our specialized field, ensuring that participation is accessible to all families regardless of financial circumstances. Corporate sponsors play a vital role in sustaining this mission while demonstrating a strong commitment to inclusion, community engagement, and social responsibility.
